Congratulations to our winners, and to all who took part in our competition.

Many other fundraisers took part in our event and raised funds as part of campaigns involving a number of events. Our rules require the funds to be attributable solely to our event, so not everyone was eligible for a prize, but we thank you all for taking part.

Individuals and teams who were eligible for prizes collected £9,640 between them, and we estimate that the total raised by all those taking part was much larger.
