

Berkhamsted Rotary

Building friendships, while helping others

WE WOULD LOVE YOU TO JOIN US

GET INVOLVED

- ◆ We are local people from all walks of life, who get together socially and to help others.
- ◆ There are opportunities to get involved and help organise and run our wide variety of community and fund raising activities. These include:
 - The Half Marathon & Fun Run, Firework Display and Castle Concert
 - Youth focused initiatives to encourage and inspire schoolchildren, such as a Technology Tournament, Young Photographer, Young Chef, Young Artist and others.
 - Supporting local charities with funds raised and volunteers
- ◆ The wider Rotary organisation helps us leverage extra funding and expertise in helping our community, as well as supporting some of our international projects, such as clean water storage in Kenya, and solar lights in Malawi.
- ◆ Call us for a chat to find out more, and see what you think.
