

Berkhamsted Rotary

Building strong friendships and serving the community in
Berkhamsted and nearby towns and villages

www.berkorotary.org

What kind of things do we do?

We organise the annual Half Marathon/Fun Run, Fireworks display, the 'Concert in the Castle' and other community and fund-raising events.

We use all funds raised, backed by our time, to support local charities and good causes, as well as international projects, including partnering with the Gates Foundation to eliminate polio from the world.

Our wide-ranging programme includes initiatives designed to encourage and inspire local schoolchildren. We support a rolling programme of competitions that includes a technology tournament, young photographer, young chef and artist challenges, and the 'Youth Speaks' debating event.

We have a regular social programme with inspirational speakers, meals, conversations and country walks.

Who are we?

Local men and women who get together to improve the lives of others. Want to be a part of it? Contact us for a chat.
